For the past six years, I have been responsible for the Quality Management System at three facilities. These each operate under a combination of ISO9001, TS16949, AS9100D and ISO17025 standards. Our combined Team efforts resulted in receiving the GM Supplier Excellence Award twice. My expanded skill set includes:

- Internal Audits
- Management Review
- Internal Quality (DMR)
- Customer Audits
- Customer Concerns
- Supplier Audits
- Scorecards
- 8D, 3L5W, Problem Solving

### **Whitesell Corporation, Muscle Shoals, AL**

*Post Production Manager*

2008 - 2012

An organizational restructuring provided an opportunity to manage Post Production activities including:

- Multi-shift team management
- Setup and training on sorting equipment
- Production Scheduling
- Quality liaison to Chrysler

### **Whitesell Corporation, Muscle Shoals, AL**
